EACH CHILD IS AN INDIVIDUAL OF GREAT WORTH

February 9, 2017

Dear Parents/Guardians of **Transitional Kindergarteners**:

The 2017-2018 school year is just around the corner. The information below will help guide you with the transition from Transitional Kindergarten to Kindergarten.

- A. If your child is **currently attending your neighborhood school** and you wish for them to continue there for Kindergarten 2017-2018, you will not need to re-register. No further action is needed.
- B. If your child is **currently attending a school that is not your neighborhood school**, and you wish him/her to be included on the Kindergarten roster at your neighborhood school for Kindergarten 2017-2018, you must enroll at your neighborhood school. Please contact your neighborhood school office for further details, especially if you are interested in the Dual Language Immersion (DLI) Program.
- C. If your child is **currently attending a school that is not your neighborhood school** and you wish to continue him/her there, you must enroll at your neighborhood school and complete a new Parent Choice Zone Transfer Application. In the event your zone transfer is not approved, your child will be on the Kindergarten 2017-18 roster at your neighborhood school. Please contact your school office for further details.

Registration Packets will be available at neighborhood schools beginning February 15, 2017. Completed Registration Packets presented with correct documentation may be returned to schools beginning March 1, 2017.

Sincerely,

A handwritten signature in black ink that reads "Nancy Kerwin".

Nancy Kerwin
Director
Student, Family, Community & Instruction
