## BOTTLE CAP MURAL

As part of Wolf Canyon Elementary's 10 year anniversary celebration, a one-of-a-kind mural will be created using plastic bottle caps. Current and former students, families and staff will have an opportunity to help make this commemorative artwork.

***WE NEED THOUSANDS OF CLEAN PLASTIC BOTTLE CAPS TO COMPLETE THIS SPECIAL PROJECT!***

Please start collecting as many plastic bottle caps as you can -- the more colorful, the better!

Donation Drive will be from August 14th until September 8th. Collection bins will be available in the school office and classrooms.

**DONATION FRIDAY:** To make donations easier, volunteers will be at the school drop off zone on Friday mornings to collect your clean bottle caps.

We are very excited to get this Timberwolf special project started. Thank you for your support!
