

Help us say *Thank You!*

Let's appreciate our teachers for their dedication and commitment to our children.

We also want to thank you, parents, for leading and supporting your child's distance learning. ❤️

All week long we would like to collect student videos to surprise the teachers. Please have your child record a short video on why they appreciate their teacher and post it to this secure site: <https://flipgrid.com/2c0de7e8>
